

CIMA Gateway Timetable – May Sitting 2016

The Gateway timetable is made up of 4 separate elements. P2, E2, F2 and Case Study sessions and you need to be familiar with all of the material in order to be successful in the examination. We have 3 course specialists who will each teach you the relevant areas from the Management syllabus and a case study specialist who will teach you how to prepare for the exam itself, this includes mock examinations with marking and feedback.
